Invitation to join Gympie Historic Auto Club Inc.

The **Gympie Historic Auto Club Inc**, formally the Gympie Veteran and Vintage Car Club was formed in November 1967 and currently has around 100 members. The aim of the club is to foster the preservation, restoration and utilisation of historic vehicles, i.e: the motorised conveyances which are more than 30 years old.

The categories include:

- Veteran – up to the end of 1918
- Vintage 1919 to the end of 1930
- Pre-war to 1945
- Post war to the rolling 30 year limit

The club also promotes social activities in the form of rallies (or runs) with members sharing a common interest. These are usually held each month but we also integrate with other motoring clubs and community groups with displays and rallies to keep the interest in all aspects of transport alive. Local rallies, which may take the form of a Sunday drive, a visit to some significant venue in the area or just a social day out for lunch and a chit-chat are usually held on the weekend following the general meeting. A social night is held on the second Thursday of the month at the clubrooms where members and visitors usually discuss motoring topics, watch a documentary and have a cuppa, a get-to-know-you night where socialising is the theme.

Formal Club meetings are held on the last Thursday of each month (except December) at 7.00pm at the Club House situated on the corner of Rose and Hyne St, (behind Hungry Jacks) in Excelsior Reserve.

There are always opportunities to join the organising committee with many positions available. The annual general meeting is held on the last Thursday in January each year and any financial member is eligible to nominate and secure a position.

Membership is open to any enthusiast who attends two club events, either a meeting and/or an organised rally, and submits an application form along with the prescribed fee. Name tags are a requirement for all members and these are supplied at a nominal cost noted on the application form.

Please note that prospective members do not need to own a vehicle in any of the categories listed above, but if the enthusiasm, interest and passion exist, coupled with a wish to socialise with others on our rallies and at our meetings, then everyone is welcome. There are members within the club who do not own a classic/historic vehicle but do share the interest with those that do. Vehicles are advertised for sale in our monthly newsletter 'The Talk Tube' as well as other club magazines that are regularly sent to us, so there are always opportunities to purchase a vehicle to restore or nurture and re-live the motoring era of days gone by.

Our annual fundraiser held in early September is the Gympie Swap Meet and Car Show 'n' Shine which, having commenced in 1970 is the oldest continually running Swap Meet in Queensland.

Please consider this invitation to attend our club as a visitor and meet the band of enthusiasts that comprise the club and have made it what it is today. Visitors are always welcome.
